

“ in everything give thanks; for this is God’s will for you in Christ Jesus.” 1 Thessalonians 5:18

This verse reminds us of what this month represents, Thankfulness. What are you thankful for? It’s easy to be thankful when our life is going well, but during the rough patches it’s hard to say thank you.

Here is what we are thankful for:

- Jesus – after all, it’s all about Him
- Your prayers and financial support! We couldn’t do anything without them
- The children who are coming to club
- Our faithful teachers and helpers
- Our freedom to have clubs
- The Wordless Book series

The Wordless book series had always been a summer series for our teens to teach. I’m so thankful it was changed into our GNC curriculum! What a blessing.

The teachers are faithfully learning how to share this little book with their students. The students then practice with each other during club time what they have learned. It’s a win, win situation and I am so thankful!

Happy Thanksgiving!

For the Children,

Billie
