

“But these are written that you might believe that Jesus is the Christ the Son of God; and that believing you might have life through His name.” John 20:31

Aren't you glad God gave us the Bible? I am. In club we encourage the children to read their Bibles, obey what they've read and then share Jesus with others. Good advice for adults as well.

We close this year with the Easter lesson. Praying about what to teach, the Lord laid on my heart to review the life of Christ leading up to His death. Friday's lesson will be the rest of the story ending with His second coming.

Our total enrollment for this year's clubs is ten more than last year. There were 77 children enrolled in our clubs, but due to the changes with the schools, about half of them did not get re-registered. We praise God for the new children he brought in spite of the difficulties.

Clubs are over for this school year and I look forward to next year. What will the Lord do in Lincoln County in 2016-2017? Will He call new teachers and helpers for schools in Lincoln City, Siletz and Toledo to re-open? How we pray that He will.

Have a wonderful Resurrection Day Celebration! We are so grateful for each of you who faithfully pray for and financially support us.

For the Children,

Billie
