

“But grow in grace and in the knowledge of our Lord and Savior Jesus Christ.” 2 Peter 3:18

A club song says “Growing in Christ takes work ev’ry day. Reading your Bible, learning to pray. Build godly habits, seek help divine, Great things are done one step at a time.” How true.

We are on our last finger, the pinky. The color of the *Wordless Book* is green, our cover page. Now that we have made a decision to receive Christ as our Savior from sin, it’s time for us to get to know Him better. After all, He made us to have fellowship with Him.

When we look at our pinky finger, we realize it’s really weak. It isn’t strong like our thumb. It reminds us when we don’t grow in Him, we get weak. To really share Jesus with others means we need to get to know Him better.

Our teachers training begins Thursday the 22nd from 9-11AM at the Nazarene Church in Newport. Do you know someone who would like to learn how to teach or share the Gospel more effectively? Our training is open to anyone who desires to do this. Pray for more new helpers and teachers this year.

One of our clubs begins Friday the 23rd! Pray for parents to register their children for this year’s clubs.

Thank you for your prayers and financial support!

For the Children,

Billie
